

Would you like to sponsor a care package?

Angel Whispers sends out care packages and birth certificates all over the world to provide comfort to grieving families. Families can sponsor a care package in memory of their special baby. We put a special label on the package which states, "This care package is made possible because of a donation made in memory of sweet baby _____ " with the baby's date of birth listed below the name.

In addition to our care packages, we provide one-on-one support, email support and a variety of support groups. We receive no government funding and rely on your private donations to continue our program. We do issue charitable receipts for income tax purposes.

Here is a sample of what some parents have said about Angel Whispers:

"I think your website is just so amazing. I wanted to say thank you so much for the care packet you sent me. It was so wonderful and the birth certificates were so sweet. I framed them and I have them hanging in what would be (and hopefully will be) the nursery. Thank you so much. It means so much to me to know that you guys care."

"Without the Angel Whispers Newsletters and the website it would so much harder to handle the grief."

"Thank you so much for the care package and the bear. I think you are a true angel on earth. I thank you for all of the time and effort that you have put in this for me."
